GROWTH

TCC is dedicated to training young people spiritually, mentally, socially, and physically in order that they might render greater service to God, church, home and country. TCC is a non-profit organization with a board of directors of Christian men who believe in camp as an effective means of teaching Christ and developing spirituality in our young people. We use a 55 acre property, Hillbrook, located in the Karns community just outside of Knoxville, TN. TCC has been in operation since 1966.
